

SALMON RIVER

CENTRAL SCHOOL DISTRICT

EMPLOYEE SUSPECTED OR POSITIVE CASE OF COVID-19

Employee reports to work and becomes symptomatic

Employee notifies building administrator/supervisor immediately

Employee advised to seek medical attention as well as referred to Alice Hyde Medical Center or Mountain Medical for testing

Medical determination to test employee and their test returns positive

Franklin County DOH will inform employee to isolate for 10-14 days; Franklin County DOH will perform contact tracing

If an employee tests positive - disinfection of contaminated areas will be completed as required by DOH Guidelines

Medical determination negative; No test required

Employee returns to work with Doctor's note (sick time may apply)

Employee may return only when a negative COVID-19 test returns, a Doctor's note confirming symptoms from another source, or after completing, at least, a DOH ordered 14 day self-quarantine
