

SALMON RIVER

CENTRAL SCHOOL DISTRICT

STUDENT SUSPECTED OR POSITIVE CASE OF COVID-19

Student presents with potential COVID-19 symptoms

Student should be sent to the nurse's office and isolated until transportation home is possible

Isolated area in Nurse's office or similar location to reduce exposure to others; Building principal notified

Parent/guardian advised to seek medical attention as well as referred to Alice Hyde Medical Center or Mountain Medical for testing

Medical determination to test student and their test returns positive

Medical determination negative; No test required

Franklin County DOH will inform student to isolate for 10-14 days; Franklin County DOH will perform contact tracing

Student returns to school with a Doctor's note

If student tests positive - disinfection of contaminated areas will be completed as required by DOH Guidelines

Student may return only when a negative COVID-19 test returns, a Doctor's note confirming symptoms from another source, or after completing, at least, a DOH ordered 14 day self-quarantine
