Informed Voluntary Consent for COVID-19 Testing

Please carefully read the following informed consent:

- a) I authorize this COVID-19 testing unit to conduct collection and testing for COVID-19 through a nasal swab, as ordered by an authorized medical provider or public health official.
- b) I authorize my test results to be disclosed to the county, state, or to any other governmental entity as may be required by law.
- c) I acknowledge that a positive test result is an indication that I must continue to self-isolate in an effort to avoid infecting others.
- d) I understand that I am not creating a patient relationship with Franklin County Public Health Services by participating in testing. I understand the testing unit is not acting as my medical provider. Testing does not replace treatment by my medical provider. I assume complete and full responsibility to take appropriate action with regards to my test results. I agree I will seek medical advice, care and treatment from my medical provider if I have questions or concerns or if my condition worsens.
- e) I understand that, as with any medical test, there is the potential for false positive or false negative test results.
- f) I, undersigned, have been informed about the test purpose, procedures, possible benefits and risks. I have been given the opportunity to ask questions before I sign, and I have been told that I can ask other questions at any time. I voluntarily agree to be tested for COVID-19.
