SUBJECT: TITLE I PARENT AND FAMILY ENGAGEMENT

The District will collaborate with parents and other family members to help students participating in Title I programs reach their full academic potential and to improve the District's overall academic quality. As part of its collaboration, the District will conduct outreach; plan and implement programs, activities, and procedures for parent and family member engagement; and consult meaningfully with parents and family members.

District-Wide Parent and Family Engagement

To facilitate parent and family participation, the District will:

- a) Involve parents and family members in jointly developing this policy, its Title I Plan, and its support and improvement plans. If the parents or family members indicate that the Title I plan is not satisfactory, the District will submit their comments to the State Education Department along with the plan;
- b) Improve student academic achievement and school performance through coordination, providing technical assistance, and giving support necessary to assist and build the capacity of all participating schools in planning and implementing effective parent and family engagement activities, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education;
- c) Coordinate and integrate parent and family engagement strategies with other relevant federal, state, and local programs, including reviewing and evaluating School-Wide Plans annually.
- d) Conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of its Title I schools. The evaluation will include identifying:
 1. Barriers to greater participation by parents and family members in Title I activities, with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background;
 2. The needs of parents and family members to assist with their child's learning, including engaging with school personnel and teachers; and
 3. Strategies to support successful school and family interactions such as parent input regarding School-Wide Plans at each building, annual Title 1 meetings for policy review, and parent input regarding ideas for improving parent engagement.
- e) Use the evaluation's findings to design evidence-based strategies for more effective parent and family member engagement, and to revise the policy, if needed;

f) Involve a representative group of parents or family members in Title I activities that adequately represent the students' needs, to develop, revise, and review the parent and family engagement policy; and other parent activities may include but will not be limited to annual Open House activities, Literacy and/or math nights, PTO meetings, musical events, art shows, student presentations and parent conferences.

g) Involve parents and family members in decisions regarding how it spends funds reserved for parent and family engagement activities. Parent involvement at each building will include opportunities to participate in planning meetings for School-Wide Plans, student and parent activities, PTO membership, and planning for increased parent involvement.

School-Level Parent and Family Member Engagement

The Board directs each school receiving Title I funds to develop a building-level parent and family member engagement plan with that school's parents and family members. In addition to the content included above, each school building-level plan will:

a) Include plans for an annual meeting, at a convenient time, to inform parents and family members of their school's participation in Title I programs, to explain Title I requirements, and to identify the right of the parents and family members to be involved. All parents and family members of these children will be invited and encouraged to attend the meeting;

b) Offer flexibility in scheduling meetings, and may provide transportation, child care, or home visits related to parent and family member engagement, using Title I funds;

c) Involve parents and family members in an organized, ongoing, and timely way in planning, reviewing, and improving Title I programs, including this policy;

d) Provide parents and family members with timely information about programs, a description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, the achievement levels of the challenging state academic standards, and, if requested by parents or family members, opportunities for regular meetings to formulate suggestions and to participate in decisions relating to their child's education. The District will respond to any suggestions as soon as practicably possible; and

e) Jointly develop a compact and review annually with parents and family members that outlines how they, school staff, and students will share responsibility for improved student academic achievement. The compact will also detail the means by which the school and parents and family members will build and develop a partnership to help all children achieve the state's standards.

f) Have a compact that:

- c) Educate teachers, pupil services personnel, Principals, and other staff, with the assistance of parents, in the value and utility of parent's contributions and in how to reach out, communicate and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;
- d) To the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, Early Reading First, Even Start, the Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, and the public preschool and other programs; also conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.

The District and its schools may also consider other activities that further build the capacity of parents to become involved, to the extent those activities are feasible and appropriate. In accordance with the NCLB, these additional optional activities may include, for example, the establishment of a District-wide parent advisory council to provide advice on all matters related to parental involvement in Title I programs and training parents to enhance the involvement of other parents.

School Level Policy

The parent involvement policy of a Title I school must describe the means for:

- a) Convening an annual meeting, at a convenient time, to inform parents of their school's participation in Title I programs and explain Title I requirements and the right of parents to be involved. All parents of children participating in a Title I program will be invited to the meeting;
- b) Offering a flexible number of meetings, including morning or evening. It may provide, with funds available under Title I, for transportation, child care or home visits as such services relate to parental involvement;
- c) Involving parents in an organized, ongoing and timely way in the planning, review and improvement of Title I programs, including the planning, review and improvement of the School's parent involvement policy. Parental involvement is also required in the planning, review and improvement of the joint development of a School-wide program. A school that already has in place a process for involving parents in the joint planning and design of the school's programs may use that process if it includes an adequate representation of parents of participating children. In addition, when the School-wide program plan is not satisfactory to the parents of participating children, the school's parent involvement policy must provide an opportunity to submit any parent comments on the plan.
