Method of Determining Award Amounts:

Funds will be awarded based upon the rating received by proposals that meet all eligibility requirements. Each applicant's proposed budget will be reviewed, and adjustments may be made to awarded agencies according to the Salmon River Central School District's New York State Universal Pre-Kindergarten 2023-2024 allocation. **New York State Department of Education allocation amounts per student may be less than Collaborating Agencies' requests. Collaborating Agency agrees to be reimbursed according to the New York State Department of Education allocation amount. There is no guarantee that a prospective Collaborating Agency will be funded the full amount requested in their application.** A

Collaborating Agency may decline a proposed award if the Agency feels the funds available are not sufficient to meet the program's requirements.

Rating Guidelines:

Very Good - Specific and comprehensive. Complete, detailed, and articulated information as to how the criteria are met. Well-conceived and thoroughly developed ideas.

Good - General but sufficient detail. Adequate information about how the criteria are met, but some areas are not fully explained, and questions remain—some minor inconsistencies and weaknesses.

Fair - Sketchy and non-specific. Criteria appear to be minimally met, but limited information is provided about the approach and strategies. Lacks focus and detail.

Poor - Does not meet the criteria, fails to provide information, provides inaccurate information, or provides information that requires substantial clarification on how the criteria are met.

N/A - Does not address the criteria or re-states the criteria.
